#### Price List Notes:

- (1) Thread Chaser Key included with purchase of each Thread Chaser
- (2) Thread chaser letter designations (ie, D-type, E-type, etc) represent families of thread chasers that use the same size shell casing.
- (3) Socket letter designations enable customers to match sockets to thread chasers (ie, D-Type thread chasers use D-type sockets)
- (4) Thread chaser with "External" designation represents external drive type; No designation represents standard internal drive type
- (5) Please call for quote and availability for any size thread chaser not listed on price sheet
